ROBERT WENINK

Teamplayer with a desire to understand, automate and optimise the world around us.

ABOUT

I obtained the rather unique double degree of Marine Technology and Computer Science, combining my childhood fascination for water with a predilection for efficiency and optimisation.

GENERAL SKILLS AND TRAITS

Problem Solving	Action Oriented
Creativity	Perseverance
Composure	Empathetic

🎓 EDUCATION

Msc. Computer Science — 2019 – 2023
Technical University Delft, 120 ECTS
Track: Data Science & Technology
Thesis: Development of a novel multi-fidelity Gaussian Process Regression methodology leveraging convergence information of CFD simulations.

Msc. Marine Engineering — 2018 - 2023
Technical University Delft, 120 ECTS
Track: Science & Ship Hydromechanics

Pre-master Computer Science — 2018 - 2019
Technical University Delft, 45 ECTS

Bsc. Marine Engineering — 2013 - 2017
Technical University Delft, 180 ECTS
Minor: Robotics, design and construction of a robot cleaning canal surfaces.
Thesis: Efficiency of wave-energy converters attached to monopoles.

⚙ WORK HISTORY

CEO lulsma — 07/2022 - present
Robert Wenink - Maritime Engineering & Computer Science
Started my own company with the goal of ... Also see my website.

Bartender — 07/2021 - 06/2023
Bar Benthuis, Rotterdam [0.4 fte]
Bartending a small bar, often alone, with a focus on quality and personal contact. Attained the diploma Social Hygiene.

Assistant Maintenance Engineer — 11/2019 - 02/2021
Campus Real Estate [0.2 fte]
Planning asset maintenance for buildings on the TU Delft campus. Managing the asset database.

Assistant R&D Engineer — 02/2018 - 08/2018
AllSeas Group S.A. [1 fte]
Concept development for improved sub-sea operations.

Student Mentor — 09/2016 - 02/2018
Technical University Delft [0.2 fte]
Guiding first-year students in practical matters, teaching them to cooperate.

EXTRACURRICULAR

🎵 2017 – present   Founding of and participation in the bigband of K.S.V. Sanctus Virgilius
